

Stayover Kingfisher Village, Karratha

INDUSTRY
Mining & Resources

LOCATION
Karratha, WA

NUMBER OF ROOMS
256

Stayover Kingfisher Village provides comfortable and serviced accommodation for mining and resource workers in the Karratha region. The village has 256 rooms and caters for both small and large bookings, for short or ongoing stays.

All accommodation rooms are ensuited and equipped with stylish furniture, LCD television with Foxtel, private fridge, kettle, desk area and split system air conditioning for year-round comfort. Designated night shift accommodation areas ensure guests are not woken by day-to-day village and guest operations. WiFi access is available throughout the village. All villages have onsite management to assist in providing a stress-free, safe and comfortable living environment for our residents.

Breakfast, crib lunch and dinner are included in each stay, with many nutritious meals prepared daily by the onsite chef, served in an informal

self-serve style. A comprehensive menu ensures all dietary requirements are satisfied with in an ever-changing menu cycle. Espresso style coffee is also available during meal times. An ice room ensures guests can keep their crib lunch fresh whilst on site.

Recreation facilities include a fully equipped gym with flat screen TVs, large inground swimming pool and undercover BBQ areas with food packs available to order. The licenced Red Dog Bar is open nightly and pays tribute to the iconic kelpie that was well known for his travels through Western Australia's vast Pilbara region.

Stayover Kingfisher Village maintains the highest environmental standards recycling 70% of the operational waste for the site and 100% of the water.
