Servicing the Darling Downs region, Stayover in Dalby provides affordable and comfortable accommodation with all the services and facilities desired for a non-resident workforce. The village's quiet and private location makes this 552-room village a perfect space for guests to rest and rejuvenate in their downtime.

All accommodation rooms are ensuite and equipped with stylish furniture, LCD television with Foxtel, private fridge, desk area and split system air conditioning for year-round comfort. Designated night shift accommodation areas ensure guests are not woken by day-to-day village and guest operations. WiFi access is available throughout the village.

All villages have onsite management to assist in providing a stress-free, safe and comfortable living environment for our residents.

Please note that a minimum 4-night booking applies at Stayover in Dalby.

Breakfast, crib lunch and dinner are included in each stay, with many goods sourced from local suppliers. The village restaurant provides fresh, nutritious meals prepared daily by the onsite chef, served in an informal self-serve style. A comprehensive menu ensures all dietary requirements are satisfied with in an ever-changing menu cycle. Espresso style coffee is also available during meal times. An ice room ensures guests can keep their crib lunch fresh whilst on site.

Recreation facilities include a fully equipped gym with flat screen TVs, entertainment room with pool tables, table tennis and flat screen TV, undercover BBQ area and a walking/running track.
