Stayover on Littlefield village is one of the top accommodation choices for many businesses operating in the area of Blackwater. Currently offering 234 rooms within an easily accessible location, the village boasts a range of facilities and personalised service for guests.

All 15sqm accommodation rooms are larger than the industry standard, ensuite and equipped with stylish furniture, LCD TV with Foxtel, private fridge, desk area and split system air conditioning for year-round comfort. Designated night shift accommodation areas ensure guests are not woken by day-to-day village and guest operations. WiFi access is available throughout the village.

All villages have onsite management to assist in providing a stress-free, safe and comfortable living environment for our residents.

Breakfast, crib lunch and dinner are included in each stay. The village restaurant provides fresh, nutritious meals prepared daily by the onsite chef, served in an informal self-serve style. A comprehensive menu ensures all dietary requirements are satisfied within an ever-changing menu cycle. An ice room ensures guests can keep their crib lunch fresh once on site.

Recreation facilities include a fully equipped gym with flat screen TVs, undercover BBQ areas with food packs available to order and an entertainment centre with pool tables providing a social space to relax and unwind.
